Wudhu: What Nullifies it and What Does Not

Exiting of impurity

1- Anything exiting from the two openings (front or rear private parts)

- Urine, stool, wind, madhy, blood

2- Flowing impurity from elsewhere on the body

- Blood or pus **if it flows**

3- Vomiting a mouthful or more

4- If blood comes out from the mouth and it predominates the saliva or is equal to it.

Loss of Awareness

- 1- Sleeping in a position where the buttocks are not firmly planted**
- 2- Fainting**
- 3- Insanity**
- 4- Intoxication or drunkenness**

A Unique Nullifier

Laughing Loudly During Ṣalah

- **Loud laughter**
- **By an adult**
- **During prayer**

Things That Do Not Nullify Wudhu

Blood that appears without flowing

Flesh falling off without blood flowing

Vomiting less than a mouthful

Vomiting phlegm, little or much

Sleeping during prayer while maintaining Sunnah posture

Sleeping while sitting firmly on the ground

Touching one's private part

Touching a women
