Ghusl – Ritual Bath

Types of Ghusl

- 1- Obligatory (Fard)**
- 2- Mandatory (Wajib)**
- 3- Sunnah or Mandub**

Fardh Ghusl

- 1- Emission of sperm/sexual fluid (mani) that exits its normal place with pleasure**
- 2- Penetration: disappearance of the head of the male organ into the front or rear**
- 3- End of menstruation**
- 4- End of postnatal bleeding**

Cases Where Ghusl Is Not Required

The exit of **madhi** or **wadi**

Waking up after a wet dream but finding no wetness
(for men or women)

Inserting an object into the private part without
emission

Intercourse with a non human object without
emission of sperm

Wajib Ghusl

For a person who becomes Muslim while in a state of major ritual impurity

If not in major ritual state, then Ghusl will be recommended

Sunnah/ Mandub Ghusl

The Friday prayer

The two Eid prayers

Entering into the state of pilgrim sanctity (Ihram)

The Day of Arafah

Entering Makkah

Entering Madinah

Visiting the Prophet ﷺ

Obligatory (Fard) of Ghusl

Rinsing the entire mouth once

Rinsing the nose up to the bone once

Washing whatever is possible without difficulty or hardship of the entire body

Sunnah Ghusl

Intention (niyyah)

Washing the hands up to the wrists

Washing the private parts (front and rear)

Performing Wudhu and then pouring water over the entire body, starting with the head, three times

Sunnah Ghusl

Intention (niyyah)

Washing the hands up to the wrists

Washing the private parts (front and rear)

Performing Wudhu

Pouring water over the entire body, starting with the head, three times
